# BOX BUDDY

FAST HANDS, FASTER REFLEXES!

## Key Features:

- Upgrade your look
- Increase your accuracy
- Improve your coordination
- Improve hits synchronization
- Boost your reaction time and reflexes

Package Size: 200 x 175 X 8 mm

### INSTRUCCIONES FOR USE

1. Adjust the headband on your head.
2. The length of the cord should be as long as your arm, from shoulder to your hand.
3. Adjust the length of the cord you need, tie the ropes in a knot on the "D" buckle.
4. Put the remaining cord behind your headband. In case you are the only user of the Box Buddy Ball and you are sure about the length of the cord you can cut the remaining cord.
5. Beginners use a black and thinner rope.
6. Use or red ball and thicker ropes when you have improved flexibility and control of the ball.
